

UNIVERSITY OF THE
WITWATERSRAND,
JOHANNESBURG

2025 SAIMechE Central Branch

Conference on Mechanical Engineering and Related
Disciplines

2025 SAIMechE Central Branch Conference on Mechanical Engineering and Related Disciplines takes place at University of the Witwatersrand on 28 October 2025. The conference brings together postgraduate students, academics, and industry professionals on a platform that welcomes research in the fields of mechanical, industrial, and aeronautical engineering.

CONFERENCE THEMES

Mechanical Design, Computational Simulations and Models, Solid and Fluid Mechanics, Mechatronics, Materials Design and Testing, Advanced Manufacturing Processes, Engine and Fuel Technology, Energy and Renewable Energy, Operations Research, Lean Manufacturing, Aerodynamics, Flight Dynamics.

PUBLISHING OPTIONS

- **Abstract, Extended Abstract or Technical Paper**
Developmental review - Can develop into full paper after conference.
- **Full Paper**
Blind peer review - publication in conference publishing partners

CONFERENCE OPTIONS

- **Onsite - SWEB, East Campus, Wits University**
- **Online - via an online platform**

KEY DATES

- **Submissions open**
➤ **1st June, 2025**
- **All submissions close**
➤ **8th September, 2025**
- **Notice of acceptance**
➤ **Rolling notice**
- **Deadline for camera-ready manuscripts**
➤ **3rd October, 2025**

**28 October,
2025**

East Campus
**University of the
Witwatersrand**

PUBLISHING PARTNERS

EPJ Web of Conferences

DHET accredited - indexed in
DOAJ, Scopus and WoS (subject to
acceptance)

**engineering
proceedings**

An MDPI Journal
